ABOUT **US**

BIRMON TRADING GROUP LTD

Birmon Trading Group Limited is a registered Cameroonian company established in Douala in 2019. We specialize in the sourcing, processing, and export of high-quality agricultural commodities, with a growing portfolio that includes cocoa beans, coffee beans, pineapples, red peanuts, and other Cameroon-origin products.

Our mission is to connect global buyers with authentic, traceable, and sustainably sourced goods from Cameroon. We pride ourselves on strict quality control, compliance with international standards, and a commitment to long-term partnerships.

With a strong logistics network and hands-on expertise in container loading, product certification, and export documentation, Birmon Trading Group Limited is positioned to serve clients across Europe, Asia, and the Middle East.

OUR PRODUCTS

We have established ourselves as a trusted and reliable business partner in the cocoa and coffee beans, black & white pepper, coconut and other agricultural exporters from Cameroon. Our reputation is built on our unwavering commitment to delivering the highest quality coffee and cocoa beans, tapioca and other agricultural products at competitive prices.

Red and Yellow Onion

Cameroon red and yellow onions are widely cultivated across the country, particularly in the northern and western regions, and are valued for their pungency, shelf life, and culinary versatility.

Peanut - Java or bold

Cameroon peanuts—particularly the Java and Bold varieties—are well-regarded in regional and international markets for their flavor, oil content, and versatility.

Natural Cocoa Power

Premium unsweetened cocoa powder from Cameroon, known for its rich flavor and deep color. Perfect for baking, beverages, and industrial use.
